

# Zika Testing

Information Hotline  
1-855-622-6735

The Florida Department of Health in Orange County (DOH-Orange) will provide **walk-in** Zika testing for pregnant women beginning **Tuesday, August 9th** at the following locations:

**Southside Family Planning & Prenatal Health Clinic**

6101 Lake Ellenor Dr., Suite 102  
Orlando, FL 32809  
Hours: Tuesday – Thursday, 9:00AM-1:30PM

**Lila Mitchell Family Planning & Prenatal Health Clinic**

5151 Raleigh St., Suite B  
Orlando, FL 32811  
Hours: Tuesday – Thursday, 9:00AM-1:30PM

**Eastside Family Planning & Prenatal Health Clinic**

12050 East Colonial Dr.  
Orlando, FL 32826  
Hours: Tuesday – Thursday, 9:00AM-1:30PM

**Please come prepared with your provider information, as your results will be sent to your doctor. If you do not have a provider, please call 407-858-1487 and someone will assist you in obtaining prenatal services.**

**Additional Zika Testing Options for Pregnant Women**

Testing is also available through Quest and LabCorp with a provider prescription. Florida Hospital and Orlando Health Hospital can also assist with no cost testing with a prescription from your medical provider. For locations, for the additional testing sites, please visit: <http://orange.floridahealth.gov/>
