Employer Notification of Quarantine Precautions for COVID-19

This letter is to inform you that your employee has been exposed to an individual with confirmed or suspected COVID-19 infection. CDC guidance and [Orange County Emergency Executive Order 2020-12](#), Section 1(c) require the exposed individual to carry out quarantine precautions at home for 14 days following the most recent exposure to the diagnosed individual.

NOTE: *Laboratory result may be attached to this communication by the employee to verify diagnosis, if required by employer.*

Please see the links below for further guidance:

- [Quarantine vs. Isolation](#)
- [CDC Guidance to Businesses and Employers](#)
- [CDC Business and Employer Frequently Asked Questions](#)

Thank you for your cooperation with the Department of Health's request for quarantine.

Sincerely,

A handwritten signature in blue ink that reads "Thomas Prince, MD".

Thomas Prince, MD
Medical Director
