

# WE WANT TO HEAR FROM YOU!

**The Central Florida Collaborative is doing a Community Health Needs Assessment to learn about things going well and things that can be done better to support community health!**

Your thoughts will help us to learn about health needs, ways to seek services, services that may not be easy for you to get, and any issues you face in seeking health so that we can better meet the needs of your community.

Take 15 minutes to complete the survey for a chance to win one of 10 \$50 gift cards!

\*The survey will be open until September 15th. Your survey responses & contact information are kept separately. All responses are confidential.
